

**CITY COUNCIL OF TALLADEGA**  
**WORK SESSION**  
**August 5, 2020 – 5:00 pm**

The City Council of the City of Talladega met in a Work session meeting on Wednesday, August 5, 2020 at 5:00 p.m., at the Talladega City Hall Chambers. The following were present: Council President Joe Power, Council Member Vickey Hall, Council Member Betty Spratlin, Councilman Trae Williams, and City Manager Beth Cheeks.

Brought forth to the Council was a discussion and overview of the proposed Zoning Ordinance. City Manager Cheeks led the discussion with a description of each article in the proposed ordinance. The changes in the proposed ordinance include an addition of an Outdoor Recreation overlay, requirements for fences and driveways, and although the district themselves are not changed the designations have been revised. The article for the Historical Preservation Zoning Overlay District was left blank to reserve a place for future use. There was much discussion upon this matter.

No action was taken.

Motion by Council Member Spratlin to adjourn.
