

Request for Qualifications

The City of Talladega is accepting pre-qualifications for the upcoming Supervisory Control and Data Acquisition (SCADA) system bid. The pre-qualification packages may be downloaded from the online plan room at www.insiteengineering.org. Contact James Cassidy, PE, at 205-733-9696 with any questions. Pre-qualification packages include requests for office and installation locations, experience, etc., and are due back to the City of Talladega at 255 South Street West, Talladega, AL. 35160 by 9:30 a.m., Wednesday, April 21, 2021, to be reviewed, scored, and considered for approval.
